Jody Galante Future Trail Blazer Award 2021

The *Jody Galante Future Trail Blazer Award* celebrates young members between the ages of 13 and 18 (secondary school age) who, after the tragedy of losing someone they love to homicide, have gone above and beyond in service to the community to try and make a difference in the world and spread the important message of anti violence.

Each year QHVSG honours one exemplary young member whose voluntary contributions of time and service to spread the anti violence message have made a positive impact on our community.

This is an opportunity to publicly recognise the inspirational work that our young members provide to the community while honouring their loved ones.
