

Queensland Homicide Victims' Support Group

The 2023 Mitchell Ferrario Compassion in Media Award

The *Mitchell Ferrario Compassion in Media Award* celebrates a Queensland Media representative who has gone above and beyond the everyday demands of their role and displayed exceptional qualities of compassion and empathy towards victims and those impacted by homicide.

Each year, a Queensland Media representative will be recognised for the compassion and empathy they have shown to our members and/or the respectful way in which they have portrayed our loved ones after a homicide.

This is an opportunity to publicly recognise a member of the Queensland Media for the outstanding support and representation of our members in the media and the positive impact that they have made in the lives of the QHVSG community.
