2023 QHVSG Educational Scholarship

We know that homicide has an enormous impact in our lives – this can hold some people back from reaching their goals in education or in their careers. Our educational scholarships aim to make this path easier.

Each year in Queensland, we award a one-off grant of \$2500 to a young person who wants to undertake tertiary education or who commenced studies in a justice or mental health related course.

In 2023, the award is made possible by the generosity of the team at McInnes Wilson Lawyers.
