I was the president of the organisation from 1995 through 1998 and a staff member from 1998 through 2006. I have continued to volunteer in various roles and believe strongly in the peer support focus of QHVSG

As a Board member, what contributions will you make to the organisation, in line with our 2021-2024 Strategic Plan that will have a positive impact on the quality of life for our members?

I would be dedicated to working to provide support to the families who have experienced homicide as they move forward through grief, loss and recovery. Along with this vital task I would be committed to promoting education, awareness, and training within the organisation and to the wider community to promote the needs and the welfare of families impacted by homicide. As a current Board member, I understand the challenges of negotiating a broad range of systems including government, non government, community and business sector in promoting the multitude of needs experienced by our membership. Our members, though deeply bereaved and facing immense hurdles, have a wealth of knowledge and valuable information and I believe it is their experience and voice that shapes the direction of our Board.

I am an accredited mental health social worker (AMHSW) and spent my early working life as registered nurse. I have worked supporting victims of crime professionally and in voluntary roles for over 35 years. In that time my duties also required consultation and liaison with Police, Child Safety, Education, Health and Mental Health, Victim Assist and DOJ, as well as, community and private organisations. I am now in private practice and provide trauma counselling and psychotherapy to children, adolescents and adults specialising in trauma stabilisation, processing and recovery. On a personal note, i am a mother of a child who was murdered and have raised a family in the aftermath of murder. I believe I can benefit QHVSG by bringing an understanding of the personal experience while also providing professional talents and skills to our organisation and membership.

I enjoy organising events for members to participate in and to help raise public awareness for QHVSG.
